Wits Journal of Clinical Medicine
Volume 5, Issue 2
July 2023

ISSN 2618-0189 is for the print version.
ISSN 2618-0197 is for the online version.

Wits Journal of Clinical Medicine is a peer-reviewed, open-access scientific journal created to share scientific research from the School of Clinical Medicine, Faculty of Health Sciences at the University of Witwatersrand, Johannesburg, and from Clinical Medicine departments at other institutions in South Africa and internationally. Our objective is to be the primary diffusion portal for Clinical Medicine scientists from southern Africa, using standards that accredit the process of scientific publication.

Published by Wits University Press
5th Floor, University Corner, Braamfontein 2050, Johannesburg, South Africa.
