GUIDELINES FOR CONTRIBUTORS

The World Review of Political Economy (WRPE) is a peer-reviewed journal of the World Association for Political Economy, published by Pluto Journals.

Submission: Articles should be original and not under consideration by any other publication.
All contributions should be submitted to the Editorial Office of WRPE: wrpejournal@gmail.com.

Contributions should be submitted in English. If authors are not native English speakers and are uncertain about the quality of their writing, their work should be edited for language by a native English speaker prior to submission. Contributions should be formatted as A4 Microsoft Word files (Mac files must be converted), double-spaced and with ample margins. All pages, including those containing only diagrams and tables, should be numbered consecutively. Biographical information of up to 50 words should be included on the title page, indicating authors’ institutional affiliation, representative writings, and email addresses.

It is the responsibility of the author to obtain permission to reproduce any illustrations that may be subject to copyright, and sources should be indicated appropriately in the accompanying captions. The use of figures (diagrams, charts, graphs) and tables should be kept to a minimum, with only essential data presented. Each should be numbered consecutively, titled, and mentioned in the main text. Figures should be supplied as separate editable files where possible (preferably in EPS, Illustrator or Excel format) and not in colour. Picture files or jpegs are unsuitable for figures, but can be supplied for photographs if they are of good quality. Mathematical formulations should be kept to a minimum. Equation editing programs should not be used for anything that can simply be typed on the keyboard in Word (such as $a^2 + b^2 = c^2$).

Authors’ full addresses and other contact information including email, fax, and telephone number should be included in a separate A4 Microsoft Word file. One photo of the author should be provided, which will appear in the journal on the article’s title page.

WRPE contributions are reviewed in five categories: (1) ARTICLES, up to 10,000 words, including an abstract of maximum 150 words describing the main arguments and conclusions, five to eight keywords, acknowledgements, notes, and references. (2) COMMUNICATIONS, up to 5000 words, usually responses to previous articles or books of other authors. (3) BOOK REVIEWS, up to 4000 words. (4) ACADEMIC FRONTIERS, up to 3000 words, including conference reports, coverage of scholarly exchanges, literature review, and commentary on recent research developments. (5) PEOPLE, up to 5000 words, introducing the academic career, thoughts and achievements of distinguished political economists.
