The Challenge of Governance and Public Representation in Pakistan: How Electoral System Matters?

Civil-Military Relationship in a Democratic Pakistan

Decentralization of Environmental Governance in Pakistan and its Impact on Sustainable Development

Pakistan’s External Debt Unsustainability and the Required Approach

Chinese Investments in Maritime Sectors of Oman and UAE: Transitioning Realities
About the Journal: *Policy Perspectives* is a biannual, open access, peer reviewed Journal with occasional special issues published by the Institute of Policy Studies (IPS), Islamabad, Pakistan. The digital edition of the Journal is co-published and distributed internationally by the Pluto Journals, London, UK.

The Journal combines original research papers with reflective studies and analyses on varied themes and issues related to international relations, Pakistan affairs, and faith & society carried out by IPS, its associates, research scholars, experts and policy practitioners.

*Policy Perspectives* brings forth Pakistani and the Muslim World’s perspectives on issues of national and global significance. The contents of the Journal, therefore, appeal to a wide academic and professional readership, and interdisciplinary audience.

Indexing, Abstracting & Archiving: The Journal is indexed, abstracted and/or archived in the following: Directory of Open Access Journals (DOAJ); Norwegian Register for Scientific Journals; International Political Science Abstracts (IPSA); EBSCO (Political Science Complete Database; Social Science Abstracts); ProQuest; JSTOR; Portico; Knowledge Unlatched; ScienceOpen; Keepers Registry; Crossref; Ovid; ResearchBib; Google Scholar; Duotrope; and Factiva’s allied databases.
